פרשת ויגש

After Yaakov Avinu heard the amazing news that Yosef Hatzadik was alive and living in Mitzrayim, he prepared his family and began heading down to Mitzrayim to reunite with Yosef. Before they set out, Yaakov sent Yehuda ahead of everyone else to go and set up a yeshiva in Goshen.

Why did Yaakov send Yehuda ahead? Why didn't he simply wait until they all arrived in Mitzrayim and set everything up then?

Yaakov realized that Mitzrayim was a place full of tumah and resha'im. He understood that he couldn't just bring his entire family into such an environment without a plan.

Yaakov thought, "I can't bring my family to a place like this without making sure that we already have a place for learning Torah and connecting to Hashem."

We can learn a powerful lesson from Yaakov Avinu. We must always make sure that we set ourselves up for success. No matter what it is, we always need to have a plan to succeed.

Have a great Shabbos!
