This week Cheder Miami was full of hands-on fun and learning!

In Nursery, the children made delicious lentil soup for the Parsha! They loved getting to taste their very own creation. Playgroup had a wonderful time exploring the world of community helpers, learning about the important jobs people do to help us every day. It was a beautiful week of discovery, connection, and smiles!

Reminder: December 1st is the deadline to register for the city of Miami Beach grant for Pre-K. Please join us for the Ahavas Torah Legal Holiday Yarchai Kallah - see flyer attached.

This week in Nursery...

This week in Parshas Toldos, we learned all about the twins, Yaakov and Eisav, and how different they were. Yaakov loved learning Torah and doing mitzvos, while Eisav spent his time hunting and exploring the outdoors. The children brought the Parsha to life by making their very own Yaakov and Eisav puppets and acting out scenes from the story.

We also cooked delicious lentil soup, just like in the Parsha. The children loved pouring the ingredients, mixing the pot, and of course enjoying the warm soup for lunch. To celebrate Rosh Chodesh Kislev, the children created beautiful dreidel crowns and filled the room with ruach as we danced and sang shirrei Chanukah together. It was a week filled with learning, creativity, and so much simcha.

In Afternoon Nursery, we continued exploring the number 2. The children can now recognize both numbers 1 and 2, and we began creating a fun ice cream themed number game using cones and scoops. We are also practicing our cutting and gluing skills, building confidence and fine motor strength. Today we learned to play our new memory game, and next week we look forward to playing a “1 2 3” hopscotch jumping game to bring our number learning outdoors in a playful way.

Wishing everyone a beautiful Shabbos!
