Special Mazal Tov to
Rabbi and Mrs. Baskin on the
birth of a baby girl!

Cheder Miami had a wonderful
week full of energy and learning.
The students enjoyed engaging
lessons, hands-on projects, and
lots of singing as everyone
prepared for Chanukah. In honor
of the parsha we took a special
trip to see a big ladder like in
Yaakov Avinu's dream!

This week in Nursery...

The nursery morning class had an amazing week filled with learning, creativity, and excitement! The children learned all about the special dream Yaakov had, exploring its meaning through stories and discussion.

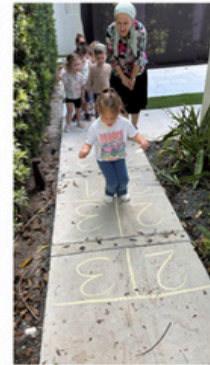

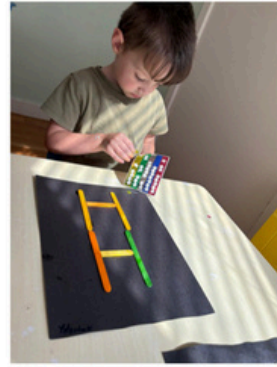

We also decorated our classroom with beautiful Chanukah decorations, adding sparkle and color everywhere. To get ready for the yom tov, the class sang cheerful Chanukah songs, filling the room with the cutest yom tov niggunim.

The afternoon nursery had a wonderful week of learning and fun! The children learned all about the number three, exploring it through hands-on activities and playful counting games. We also continued our exciting color game, helping everyone practice identifying and matching colors with confidence. Throughout the week, the class created fun projects that let them use their creativity and imagination. It was a joyful and productive week for all!

Have an amazing Shabbos!
