Mazel Tov to Rabbi and Mrs. Yaakov Burstyn on the engagement of their daughter Esther Malka to Dovi Weissberg from Cincinnati.

They should be zoche to build a bayis ne'eman b'yisroel!

We also hung up a Mezuzah on our new door.

In honor of Parshas Noach, Morah Eliana brought in her talking parrot "Leafy". The children enjoyed hearing the parrot say "good shabbos" and many other things.

This week in Nursery...

We were so excited to come back after the Yom Tov break and enjoy a full week of learning, growing, and fun together!

This week, we learned all about Parshas Noach. We spoke about how Noach was a tzaddik who listened to Hashem, took care of all the animals in the Teivah, and how Hashem showed us the beautiful rainbow as a sign that He is always watching over us. The children enjoyed creating special Parsha projects using many different art techniques. In honor of Parshas Noach, we even had a special bird visitor who came to say hello—it was so exciting, and the children were thrilled! We also added a brand new mezuzah in our beautiful new classroom, which made it even more special. To celebrate Rosh Chodesh, we made shiny crowns and enjoyed a yummy treat.
