Our classes are buzzing with excitement as we prepare for Chanukah! The children are busy creating their beautiful Menorahs, working on lots of wonderful projects, and getting ready for our special Mommy & Me. The classrooms are filled with creativity, learning, and joyful anticipation as we count down to Chanukah!

We were also zoche to receive a very special visit from the Berdichiver Rebbe, who shared warm brachos with the children and added so much inspiration and simchah to our week.

In addition, Rafael and Tzvi's Bubby delighted the kinderlach with a beautiful storytime visit! The children were captivated and loved every moment.

# This week in Nursery...

**Dear Parents,**

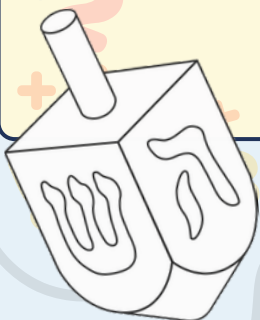

**Here are all the special points about Chanukah that we learned with your kinderlach! Wishing everyone A Lichtig Chanukah and enjoy the projects that were made with a lot of effort, excitement, and love!**

**The afternoon nursery had a wonderful week!**

**We spent time reviewing numbers 1-4 and practicing our shapes. The children even created their own dreidels using four different shapes, a square, triangle, rectangle, and circle. During outdoor playtime, the kids are really improving their catching skills and absolutely love playing catch. They've also become very creative, making up their own imaginative games and playing so nicely together. It's beautiful to see their teamwork and friendships growing!**

**Have a wonderful Shabbos!**
