We had such a beautiful, learning-filled week here at Cheder Miami, full of excitement, growth, and fun moments in the classroom. A very special thank you to Yedida's Zaidy for coming in to read a wonderful story to our nursery class. The children absolutely loved it and were so engaged. We are also incredibly grateful for the generous donation of amazing new books to the class, which our students are already enjoying and learning from.

All Cheder Miami parents are encouraged to make reservations for the Ahavas Torah Dinner. (See Flyer Attached)

Cheder Miami is one of the many initiatives through which Ahavas Torah serves the greater community, and your support helps ensure that they can continue their vital and meaningful programs.

This week in Nursery...

Dear Parents,

This week in Parsha, we learned how every time Moshe Rabbeinu asked King Paroah to let the Jewish People leave Mitzrayim, Paroah answered (song):

“No, no, no I will not let you go!”

So Hashem punished King Paroah with (song):

“Ten makkos, makkos ten the Mitzrim were punished again and again!”
We learned that the first maka was when all the water of the Mitzrim turned into blood.

The second maka was (song):

“One morning King Paroah awoke in his bed,
There were frogs on his head and frogs on his bed,
Frogs on his nose and frogs on his toes

Frogs here, frogs there, frogs were jumping everywhere!”

We also discussed the makkos of crawling, itchy, uncomfortable lice, and wild, scary animals.

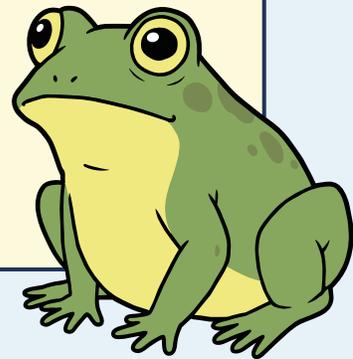

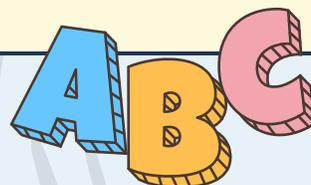

We are so excited to share that we finished our Brachos unit!

To celebrate all of our learning, we made a special Brachos book to help remind us of everything we learned. We hope you enjoy looking through it together and reviewing it with your child.

Wishing everyone a safe, relaxing, and enjoyable vacation. We look forward to seeing you all refreshed and ready to learn!

We also continued learning about animals, focusing on farm animals and discussing the difference between tame and wild animals. This animal unit will also accompany us as we begin our animal-themed ABC, which we hope to start after winter break.

Have a wonderful Shabbos!
