Cheder Miami celebrated Tu B'shvat this week by tasting all kinds of fruits, melons, and nuts! We were especially honored to welcome Rav Shmuel Karelitz, who came to visit us from Eretz Yisroel. His presence and words made this week especially memorable for our students and staff.

# This week in Nursery...

**Dear Parents,**

**This week we celebrated Tu B'Shvat! Morah shared with the children that Tu B'Shvat is the birthday of the trees. We made our very own special project and then enjoyed a special snack that included some of the Shivas Haminim, making the celebration extra exciting and yummy!**

**We also learned about this week's parsha, Parshas Yisro. Morah explained that this is the Parsha when Hashem gave us the Torah on Har Sinai. We talked about how Har Sinai was not the biggest or the prettiest mountain, but a simple one.**

**From this, we had a sweet and meaningful conversation about how we are perfect just the way we are, and how Hashem loves us whether we are big or small.**

**Our song this week was "Little Har Sinai" by Uncle Moishy.**

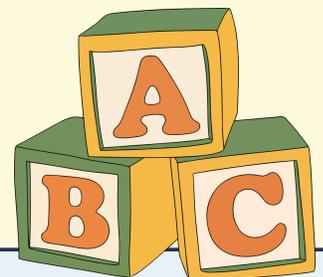

**The children had so much fun making their very own Har Sinai, and they are very excited to take it home and share it with you!**

**In Afternoon Nursery, we also learned all about the letter B. We traced it, cut it out, and practiced recognizing it in a fun, hands-on way.**

**Wishing everyone a beautiful and restful Shabbos!**
