Friday Night:

היום ששה עשר יום שהם שני שבועות ושני ימים לעמר

This week in Nursery...

Dear Parents,

It was so wonderful to see all our kinderlach again after our Pesach break, we missed them so much!

Each child had the opportunity to share their Pesach experiences, telling us what they did and how they enjoyed their Yom Tov. It was so special to see their excitement and hear their stories.

We jumped right back into our learning by reviewing the Aleph that we started before the break. The children created special projects to reinforce their knowledge, sang songs, and even formed the Aleph using their own bodies, such a fun and meaningful way to learn! We can't wait to bring the projects home next week.

Wishing everyone a wonderful Shabbos!

P.S. Please remember to send mitzvah notes daily!
